ON

ANNEXATION

The Annexation of Millrace:

- **This annexation is opposed by the Democratic and Republican committees and Supervisors of Lancaster Township, the City Mayor, and the School Board of SDL.**
- Will cost the taxpayers approximately \$40,000 a year in revenue to Lancaster Township, and about \$350,000 to the School District of Lancaster. That's a gap that will need to be made up by YOU the remaining Lancaster taxpayers.
- Is NOT supported by all of the residents of Millrace. There are residents slated for annexation that do NOT want to leave Lancaster Township.
- This issue is limited to the primary ONLY. This will NOT be on the November ballot.
- Independent voters ARE permitted to vote on this issue despite this being a primary election.
