

FREE FLU SHOTS

The **Department of Health**
is providing **FREE** flu shots!

FACTS

- The flu season is here.
- The Centers for Disease Control and Prevention (CDC) recommends that all persons ages 6 months and older get a flu shot.
- It's important to get a flu vaccine every year, even if you got vaccinated the season before.
- Getting the flu vaccine not only protects you from influenza, but your loved ones as well.
