## **SANITARY PIPE LINING OPERATIONS**

### **NOTICE TO RESIDENTS**

As part of an ongoing effort to improve sanitary sewer service, Mr. Rehab, Inc. will be conducting pipelining installations within the sanitary sewer lines located in front of your property. The installation as indicated below will be scheduled for **Thursday** **2/07/19**

After initial equipment set-up the lining operations normally run between the hours of **8:00 am** and **5:00 pm** Please do not use any water between these hours, on the above mentioned date.

If odors are detected within your residence, simply open a window or ventilate with a fan. If you have seldom used drains please pour a gallon of water in the drain to fill and refresh the drain trap. This procedure will prevent odors from entering your living space through the drains.

Should you have any questions, or desire additional information, please do not hesitate to contact our Field Superintendent, Jim Deets 717-769-7267 or Wes Logan, crew lead on site at 717-320-4228, or call our office at 717-697-1242 x110.

Our field crew working on the sanitary sewer will have proper identification. **AT NO TIME WILL THE FIELD CREW HAVE TO ENTER YOUR RESIDENCE.**

Your Cooperation is requested for this worthwhile endeavor to improve your sewer service and, at the same time, protect our environment.

Thank you,

Mr. Rehab, LLC  
City of Lancaster

## CONSTRUCTION NOTIFICATION

2/4/2019

Dear Resident or Business:

This notice is being provided to notify you of upcoming municipal construction or utility work that will impact you in the near or immediate future. The City of Lancaster Department of Public Works, or our authorized agents, will be performing the following construction or utility work near you:

### Project OVERVIEW:

Project Title: 2018 Sanitary Sewer Main Rehabilitation

Project Location: **South President Ave From Alley W to Abbeyville Rd**

Trenchless Rehabilitation of Sanitary sewers

### The following IMPACTS are expected at this time:

On-street parking will be restricted to facilitate the work between 7:00am-5:00pm,  
Night and Weekend parking will be restored where possible.

We anticipate minimal road restrictions daily from 8:00am-4:00pm due to truck access. Should you need access, please approach a worker to discuss how you can best reach your destination.

### With weather cooperation, the project SCHEDULE is expected to be:

|                         |                                     |
|-------------------------|-------------------------------------|
| Duration:               | 1 Day (10 hours; 8:30 am - 6:30 pm) |
| Beginning on or around: | <b>Thursday 2/7/19</b>              |
| Ending on or around:    | <b>Friday 2/8/19</b>                |

### Project Specific NOTES, if applicable:

Bypass hose may be laid across your sidewalk and driveway, use caution when crossing  
At no time will workers need to enter your home

**A detailed notification will be handed out 48 hours prior to work being started.**

### What this means FOR YOU:

On the date and times specified in your notice, you **MUST** restrict water usage, this is to include,

**SHOWERS, WASHING MACHINES, DISHWASHERS, SINK USE, TOILET FLUSHING**

Failure to do so **WILL** result in a sewage back-up in your home

717-697-1242 - you will receive 24 hour notice from contractor
